THE FEELING OF EATING LIKE A FREELOADER AFTER RETURNING IS TERRIBLE, YOU KNOW!
AND IF WE BECOME UNPROTECTED, OUR ARMOR IS WEAK, SO THE CHANCE OF BECOMING HEAVILY DAMAGED IS HIGH.
EVEN IF WE ADVANCE, LAUNCHING DURING THE AVIATION BATTLE TAKES UP ALL OF OUR STRENGTH.
NOO!

WELL, MODERATE DAMAGE IS MORE OF THE PROBLEM, REALLY
YEAH IT'S STRESSFUL TO WORRY ABOUT BECOMING HEAVILY DAMAGED AT THE VERY START

HMPH! IT APPEARS WE'VE ALREADY DETECTED THE ENEMY!
...IF WE WERE TO BECOME SOMETHING LIKE THAT...
AND THAT THEY HAD SOMETHING IN COMMON WITH SHIPGIRLS...

THE ENEMY FLEET IS PROBABLY TEN DEGREES AND 240 NAUTICAL MILES FROM THE MI ISLANDS!
THAT'S A REALLY POSITIVE VIEW. OF IT!
THEY ARE CERTAINLY STRONG, THOUGH!
THE HIGH ENDURANCE RATE AND CHEST ARMOR WOULD BE THE MAIN APPEAL...
AND THE 5 EQUIPMENT SLOTS AND POWERFUL PLANES
WHY NOT SERVICE THAT, TOO!?

THEIR COMPASS IS SOMETIMES OFF!

Note The enemy fleet ended up being about 160 km away from the Tone Model 4's report. Since it was new, the compass had not been properly calibrated and it was off by about 10 degrees.
